

NORTH TOOELE FIRE DISTRICT

TOWN HALL MEETING

If you are a resident of Erda, Lake Point, Pine Canyon or Stansbury Park, you are invited to come to talk about your Fire District. Please come to the North Tooele Fire District Strategic Planning Session on Thursday, April 20th, 2023.

Come prepared, we will ask these questions:

- 1) When you call 9-1-1, what do you expect to receive?
- 2) What do you think your Fire District should focus on for the next 1-3 years?
- 3) If our biggest threat is wildfire, how do you think we should prepare?
- 4) How can we best help you on possibly your worst day?

Where: Stansbury Park Fire Station
179 Country Club , Stansbury Park

When: April 20th, 2023 7:00PM

What: Come talk with the Fire Chief, Board Members, Firefighters, and your neighbors about your Fire Service.

We will give you an idea of who we are and our capabilities. You can give us your opinions to help us form our Strategic Plan for 2023 – 2028. This will be an open forum planning session where YOU can give input.
